

The Emergency Food Box Network was established in October 2016 to create more opportunities for those struggling with food insecurity to access Food Shelf resources. Through this program, we distribute 30-pound emergency food boxes to Network partners throughout the county. In an emergency, families in need can stop by any of our partner locations and receive food supplies without ever leaving their home community. Our network partners operate in their own communities with their own hours. They provide extended hours of access and smaller distances between you and food shelf resources. We'll also take the opportunity to connect you with a food shelf for future use, whether that's our county-wide food shelf or one in your own community.

If you're in need of emergency food and can't make it to the food shelf, contact a provider listed below!

## Community Partner List

### Howard Lake Area

Love INC - Heartland  
801 Hwy 12  
Howard Lake, MN 55349  
Phone: (763) 972-6547

### Maple Lake Area

WCCA Main Office  
130 West Division St  
Maple Lake, MN 55358  
Phone: (320) 963-6500

Maple Lake Fire Department  
106 Division St. W  
Maple Lake, MN 55358  
Phone: (320) 963-3611
